### Statistics

[1] **China Law Society publishes Annual Report on Rule of Law in China (2012)**

[Legislative Affairs Office of the State Council]

...On June 25, the China Law Society published the Annual Report on Rule of Law in China (2012). The report consists of 10 chapters respectively regarding legislative work, administration according to law, trial, procuratorial, public security and judicial administration work, legal supervision by the NPC Standing Committee, legal protection of human rights, protection of intellectual property, rule of law for ecological civilization, law publicity, law education and law research, international exchanges and

international cooperation.

The report states that in 2012, the State Intellectual Property Office (SIPO) carried out patent law enforcement rectification in the nationwide circulation and production links, cracked down on counterfeiting acts involving people's livelihood, major projects and other areas, investigated and handled patent infringement disputes, and carried out intellectual property protection assistance, reporting and complaint work, accepted a total of 2,510 patent dispute cases (including 2,232 patent infringement dispute cases and 278 other patent dispute cases), investigated and handled 6,512 counterfeit patent cases, handled a total of 9,022 cases, up 199% year on year. In 2012, the SIPO accepted 653,000 invention patent applications, up 24% year on year; granted 217,000 invention patents, up 26.1% year on year.

The report also reveals that in 2012, the people's courts at all levels concluded a total of 103,000 IP cases of first instance, up 56.1% year on year. The Supreme people's Court issued several provisions and opinions to guide people's courts at all levels in IP trial work. The Supreme People's Court also issued the Intellectual Property Protection by Chinese Courts (2011) and the Annual Report of the Supreme People's Court on Intellectual Property Cases (2011) to publish top 10 IP judicial protection cases and 50 typical cases tried by Chinese courts in 2011.
